# A 2nd Amendment Rally

# STEPHEN WILLEFORD

## SUTHERLAND SPRINGS CHURCH HERO

May 6, 2022

**Stephen Willeford**

Stephen Willeford, who disrupted the mass murder in his small town's First Baptist Church, became known as the ultimate good guy with a gun.

On November 5, 2017, he had decided to stay home instead of going to his own church in San Antonio. As a plumber, he was scheduled to be on call the upcoming week at San Antonio's University Hospital and knew he would inevitably be summoned for a middle-of-the-night emergency and needed to rest up. Sometime before 11:30 that Sunday morning, his daughter woke him up saying she heard gunfire. The events that followed have made Stephen a hero in the United States and Texas, but especially in Sutherland Springs. His account of that tragic day will leave an impression you won't soon forget.

Additional Speakers: Rep. Buddy Carter - 1st District Congressman  
John Wilcher - Chatham County Sheriff  
Mark Walters - Armed American Radio
